Mayor M. Sheppard called the Meeting to order at 7:00 pm

The purpose of the meeting was to discuss the water run off issues in Tucker's Lane.

The Roads & Lights committee visited the area with the water issue and in their opinion there is a relative solution to the issue. The committee is suggesting that a culvert be placed across Mr. Hann's front lawn to the back corner of his property to connect into the existing culvert which is approximately 100 feet.

**Motion #21-027 – L. Hiscock/Z. Doucet**

Resolved to have Kevin dig the hole for the installation of the culvert to connect into a drainage ditch across Mr. Hann's property. Kevin will be responsible for placing topsoil and grass seed over the area that will be dug up.
