Mayor M. Sheppard called the Meeting to order at 7 pm.

Purpose of the meeting to discuss what will happen once we move to the new building.

The Ambulance committee wants to lease this building as their headquarters and are considering building a garage onto the current building. They are planning to budget so much a year until they have enough funding to begin construction. They wanted to know if Council would hold the rent until they are able to build and in the meantime, would they be able to house the ambulance at our new garage.

Deputy Mayor David Reid arrived at 7:06 pm.

Councilor C. Reid suggested building a new garage with living quarters on the site of our new building. Mayor Sheppard suggested getting quotes to build the addition to our current Town Hall. In the meantime, we do have room to house the ambulance in our new building.

Council suggested keeping the ambulance in the new building instead of building a garage, and just use the current town hall as living quarters.

Clerk will write a letter to the Ambulance committee with the rental price.

Meeting adjourned at 7:28 pm.

Mark Sheppard, Mayor

Suzanne Coates, Town Clerk
